SKILLS

Summary

My personality is outgoing and believe communication is not only resolve issue but also building relationship. I am a hard-working with strong work ethic and curiosity to learn and grow. I was borned and raise in China, and live in Thailand few years before move to United States. In my life journey I have met different challenges but I believe positive and proative attitude is the solution.

Bachelor of Mathematics-Data Science 2020-2025

Oral Roberts University. Oklahoma, United States

Bachelor of Business Administration (No graduated) 2018-2020

Payap University. ChiangMai, Thailand

Works background

I started to work by 2013 until 2018 I moved to Thailand studying and taking care family. I had worked in hotel and restaurant back in China.

In United States I have working in restaurant and deliver amazon package when I was off school.

I am working and studying hard to pursue my bachelor degree with mathematics- Data Science.

By the way, I was made in China but I don't need Visa sponsorship now or future, I can live and work legally in the United States. Thank you for learning about me.
